This matter comes before the Public Service Commission of South Carolina (the Commission) on a Petition for Clarification and Further Guidance filed on behalf of the Joint Petitioners in this Docket. In this document, the Joint Petitioners addressed certain points raised by Order No. 2006-11. We have also received a responsive document from BellSouth Telecommunications, Inc.

After a review of the Petition, we conclude that there is no need for any further clarification or guidance in this matter, and that our prior Order in this matter needs no further explanation. We also believe that this matter should proceed to hearing. Accordingly, the Petition is denied.

This Order shall remain in full force and effect until further Order of the Commission.
